

Cooperative Beef Cattle Mineral Purchasing Program Spring 2019

Sponsored by Carroll County Beef Producers
An affiliate of the Ohio Cattlemen's Association

You must be a member of the Carroll County Beef Producers to participate in the cooperative purchasing program (join on the order form below). Producers from any county are invited to join the Carroll County Beef Producers.

- **High Magnesium Mineral or Buttercup Yellow Mineral** are good choices to prevent grass tetany if your cattle will be consuming spring grasses.

- **Fly Control Mineral** is being offered to aid in the control of horn flies. The larvaecide is Altosid, very friendly to the environment and is only being offered in the Breeding and Gestation Mineral with vitamins.

- **Weatherized Mineral** mixes are available in three formulas: Spring Green Beef Mineral, Buttercup Yellow Hi-Mag Beef Mineral and Royal Blue Breeding Mineral. These minerals resist clumping better if moisture is introduced.

- **Low Moisture Opti-ferm Lix Tubs** offer forage supplements with consistent consumption. Once the top layer is consumed, animals must wait for the next layer to soften preventing over consumption. We are offering five low moisture 200 pound tubs this spring; 12% High Energy, 25% All Natural, 16% High-Mag, 25% w/Fly Relief (Altosid) and Cattle Stress Lix. Consumption of low moisture tubs is approximately half of the consumption of traditional poured tubs.

Another cooperative mineral purchase will be offered in September 2019, so be sure to order a six month supply. **Over six months, each cow will consume approximately 40-50 lbs. of mineral mix. Calves will also consume minerals.**

Questions - Call 330-627-2144. **All orders must be paid for in advance.** Deadline to order is March 23, 2019.

Additional information on Kalmbach Weatherized Minerals and Opti-ferm Low Moisture Lix Tubs available at www.kalmbachfeeds.com. Orders will be available for pickup at Farmers Exchange in Carrollton from April 1st - April 6th.

If your 2019 dues have been paid, your membership card is included in this mailing. No membership card? Please pay your dues. Thank you.
